Dear Sir:

Pursuant to 37 C.F.R. §§ 1.56, 1.97, and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO-1449. It is respectfully requested that the information be expressly considered during the prosecution of this application and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

In accordance with 37 C.F.R. § 1.98(d), any necessary copies are enclosed. However, in accordance with the October 12, 2004 OG Notice, copies of U.S. patents and U.S. published application references are no longer required and, thus, are not enclosed.

In accordance with 37 C.F.R. § 1.97(g), the filing of this Fifth Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 C.F.R. § 1.56(a) exists. In accordance with 37 C.F.R. § 1.97(h), the

filing of this Fifth Information Disclosure Statement shall not be construed to be an admission that any patent, publication or other information referred to therein is or is considered to be "prior art" with respect to the present application or material to patentability as defined in 37 C.F.R. § 1.56.

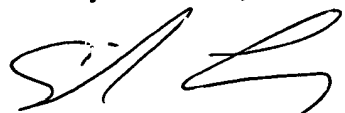

In accordance with 37 C.F.R. § 1.97(e)(1), attorney for the Applicant hereby certifies that each item of information contained in this Fifth Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Fifth Information Disclosure Statement, as evidenced by the enclosed Search Report (two pages) mailed on August 3, 2005, for the counterpart European Patent Application No. 04015383.5. Also enclosed, are the "Communication" letter from the European Patent Office (one page), which indicates the mailing date of the Search Report, and the "Annex to the European Search report" (one page).

This Fifth Information Disclosure Statement is being filed within three (3) months of the mailing date of the Search Report. Additionally, this Fifth Information Disclosure Statement is being filed prior to the receipt of a First Office Action reflecting an examination on the merits. Accordingly, no fee is believed to be due for this Fifth Information Disclosure Statement.

Should any fee be deemed necessary (except payment of the issue fee), however, the Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment, to Deposit Account No. 10-0447 (47079-00214USP1). A duplicate copy of this Statement is enclosed for that purpose.

Dated: September 21, 2005

Respectfully submitted,
